Re: Notice of Written Ex Parte Communication, In the Matter of Review of the Commission's Rules Regarding the Pricing of Unbundled Network Elements and the Resale of Service by Incumbent Local Exchange Carriers, WC Docket No. 03-173

Dear Ms. Dortch:

Yesterday, I filed an ex parte introducing a series of essays supported by AT&T that examine critical issues related to the basics of TELRIC and the economics that support it. Attached for inclusion in this record are three more essays from that series, including papers authored by Robert Willig, R. Glenn Hubbard and William H. Lehr and Richard N. Clarke.

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceedings.

Sincerely,

A handwritten signature in black ink, appearing to be "JM" followed by a long horizontal stroke.
